✓ Manufacturing Range

Note : Length upto 30 Meters (100ft.) long subject to size

Sizes above 8" NB we can offer from foreign mills/stockist as we have good contacts and relations with many mills Europe, Japan, China, Latin America, etc... We can offer materials with original MTC, IBR Certificate if required, materials will be as per customers's spec. We can offer additional tests (hydro, flattening, UT, impact, chemical, etc...) on these materials at our factory and the same can be witnessed by customer or its appointed TPI.
